Specification

Model	200W High bay Light
Light source	AC SMD
Lumens	29600 LM
Input Voltage	AC240V (Dimmable option)
CRI	>Ra82
PF	>0.95
CCT	6000K
Beam angle	120 degree
Lamp housing	Aluminum
Lamp size	Dia380*150mm,
Lifetime	50000hrs
Certification	SAA GMT-502082

Your business gets an opportunity to replace old and power hungry 450watt Mercury Vapour lights, to the new energy efficient 200 watt LED high bay light fittings. We can also help you swap to LED by gearing it neutrally or positively so that you can pay it off over a period of time from the savings you get.

Reduce your power bill costs and our carbon footprint by tailoring attractive and viable LED lighting solutions for them. We offer a free sample of the light, and a free demonstration as well
